

REMARKS

Amendment to the Specification

The specification is amended to direct entry of the enclosed Sequence Listing. This amendment adds no new matter.

Sequence Listing paper copy

The instant application is a Continuation of USSN 09/339,926 filed June 24, 1999 (now US Patent No. 6,653,072). The written form of the Sequence Listing submitted herewith is a copy of the Sequence Listing submitted on October 17, 2001 in the above-noted parent application USSN 09/339,926.

Request to use Sequence Listing CRF copy from parent application

The computer readable form of the Sequence Listing in the instant application is identical with that filed in above-noted parent application USSN 09/339,926. In accordance with 37 CFR 1.821(e), please use the last-filed computer readable form in the parent application (as submitted to the USPTO on October 17, 2001) for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application.

Statement Accompanying Sequence Listing

The undersigned hereby states that the paper copy of the Sequence Listing submitted concurrently herewith does not include matter which goes beyond the content of the application as filed, and that the Sequence Listing CRF from USSN 09/339,926 which was submitted to the USPTO on October 17, 2001, is identical to said paper copy of the Sequence Listing.

Respectfully submitted,
